SUMMER 2018
ACCELERATED COURSES
SCHEDULE
SCARBOROUGH CAMPUS

Last updated: MAY 23, 2018

*Course schedules may be subject to change without notice

“Learn Ahead - Make the Future” is our motto, and students are encouraged to take our courses in advance of day school whenever possible. Summer is a great time for students to get exposure and learn the next grade’s material before it is taught in day school. Learn the material once, and retake it again when you have it in the new school year to ensure foundations are strongly built! Many students also take advantage of this time to strengthen their previous grade’s foundations before starting the new school year.
